

The Superior Adaptor: An Industry Standard from the Beginning

- Ideal for new installations and for converting existing manual valves to automatic
- Heavy duty red brass construction
- Self-cleaning, dirt-free, clog-free design
- Widest range of sizes in the industry (3/4" to 2")

Superior 800

- Available in 3/4" through 2" for Superior, Champion, Lawnlife, Orbit, and Aqualine brass manual valves
- Extension Adaptors available in 3/4" and 1" sizes
- Operates on pressure up to 200 psi (300 psi on high-pressure option)

How To Specify / Order

800 100 CH HP			
Model	Size	Type	Option
800	100 = 1"	Standard	HP = High Pressure

Model No.	Descriptions
800075CH	3/4" NPT Electric Adaptor, Brass
800075CHEX	3/4" NPT Electric Extension Adaptor, Brass
800100CH	1" NPT Electric Adaptor, Brass
800100CHEX	1" NPT Electric Extension Adaptor, Brass
800125CH	1-1/4" NPT Electric Adaptor, Brass
800150CH	1-1/2" NPT Electric Adaptor, Brass
800200CH	2" NPT Electric Adaptor, Brass
OPTION	For High Pressure Model (up to 300 psi) add "HP"

Superior 2000 Mini Adaptor

- Designed for tight-fitting installations such as curbs, walls, and close manifolds
- Available in 3/4" and 1" for Superior, Champion, Lawnlife, Orbit, and Aqualine brass manual valves
- Operates on pressure up to 200 psi

How To Specify / Order

2000 100			
Model	Size	Type	Option
2000	100 = 1"	-	-

Model No.	Descriptions
2000075	3/4" NPT Electric Mini Adaptor, Brass
2000100	1" NPT Electric Mini Adaptor, Brass

Superior 600

- Molded from heavy duty, high impact glass-reinforced nylon material
- Available in 3/4" and 1" for Superior, Champion, Lawnlife, Orbit, and Aqualine brass manual valves
- Operates on pressure up to 150 psi

How To Specify / Order

600 100 CH			
Model	Size	Type	Option
600	100 = 1"	Standard	-

Model No.	Descriptions
600075CH	3/4" NPT Electric Adaptor, Plastic
600100CH	1" NPT Electric Adaptor, Plastic
